

The screenshot shows the Inkscape application window with a file named 'ML_fig10.pdf'. The main canvas displays a graph with a green curve and a blue line. The blue line is a secant line passing through two points on the green curve. The x-axis is labeled with 'a', ξ , and 'b'. The 'Relleno y borde' (Fill and Stroke) panel is open on the right, showing the stroke width set to 1,200 px. The status bar at the bottom indicates the object is in the 'ML_fig10' layer.
